Dear Patient,

We are writing to let you know that Kristin Arnold will be transitioning to our West Burlington Clinic, where she will be seeing pediatric patients full-time. This change will be effective December 7, 2026. Kristin is an excellent provider, and we are excited for her as she begins this new opportunity.

Your health and continuity of care are important to us, and we are committed to making this transition as smooth as possible.

For our adult patients, our team is happy to assist you with scheduling your next appointment with one of our other providers at our Keokuk location. Pediatric patients may continue seeing Kristin at our West Burlington Clinic or continue their care with another provider at our Keokuk location.

Please contact our office to schedule your next appointment or if you have any questions. Our team is here to help make this transition as easy as possible.

Thank you for trusting Community Health Centers of Southeastern Iowa with your healthcare needs. We appreciate the opportunity to care for you and look forward to continuing to serve you.

Sincerely,

Community Health Centers of SEIA
